Dear Reader,

I wish to thank most sincerely Mrs. Judd and her small army of volunteer student helpers for all the time, enthusiasm and creative energy they have displayed this year to produce this Year Book.

It is somewhat changed in format and style this time, coinciding with the creation of Warwick Academy as a 5 to 17 private school.

The Year Book has great value for the school as an institution and for its students as individuals. Its images record the faces of the Warwick Academy faculty and students year by year and, to the observant user of the book, the almost imperceptible changes to the buildings and grounds that go on all the time as the school improves its campus and facilities. For you, the Year Book records forever pictures of your friends and peers at school and, in the future, will provide a storehouse of memories of your career at Warwick Academy. It will give you a nostalgic record of your time here, and it will be something to share with your family and friends always.

To all Yearbook Readers -

I would like to thank all parents, teachers, students, and businesses (big and small) who have in any way assisted and supported the production of this Yearbook. This year's Yearbook is somewhat different from those in the past...and we hope you like the format. Because it was fully produced at Warwick Academy by the students and myself we have had to go with a soft cover this year, although my friends at Island Press tell me that a hard cover is certainly a possibility in the future. We hope that you will be pleased with the 'look' of the book, keeping in mind that each page has been designed, laid out, and word processed by one of us. We are very proud of that fact.

Finally I would like to mention a few people specifically. Thank-you to Mr. Beacroft and Mrs Shadbolt for helping us find the initial funds for a computer, printer and software. Thanks to Mr Hart for assisting us with 'computer questions'. Thanks to all the teachers, students, and parents who helped with the photography. Thank-you to Mr Ernest McCreight for his assistance with Form pictures. Thank-you to Mr Neville Trott who took the wonderful photograph of the "Class of 1996" on the front steps of the school. Thank-you to all of our Patrons. Thank-you to Bruce Flood and Joanne Chisnall of Island Press for their patience and guidance in getting us to print on this our first attempt. And last, but not least, thank-you very much to several students in particular... Melissa Flood, Aisha James, Anjalie Narawatne, Melissa Trott, Ronald Furbert, Loren Emery, and Matthew Collins who were an enormous help to me every step of the way.

We hope that the book brings you pleasure!

Sincerely,

Yearbook Coordinator.

**Mrs. Patricia Hanlon- twenty-four years of dedicated service
at Warwick Academy.**

This year we bid farewell to Mrs. Patricia Hanlon who has been an English teacher at Warwick Academy for twenty-four years, and combined she and her husband (whom she met while teaching here) have given forty-six years of service to this school.

Mrs. Hanlon arrived in Bermuda in 1969, and taught at Sandys Secondary for three years before coming to Warwick Academy. The school that greeted her when she first arrived in 1972 was far different from the Warwick Academy we know today. Since then the school has expanded greatly to include the science block, swimming pool, basketball and tennis courts, and primary school. The music programme was then in its infancy, and there were no music classes. She initially taught in what is now Mrs. Ingham's room, and has occupied the room that she taught all of us in (U12) for a decade. Over the years she has probably taught thousands of students, and though the number is staggering it is actually quite a realistic estimate if you consider the fact that she has taught all of the incoming first years. She has seen the school expand from two streams to four streams at its largest point, then shrink to its present three streams, and make the transition from a public school to a private school.

Mrs. Hanlon has studied a wide selection of literature with her classes, and she thinks the first Adventures book is a particularly good collection of short stories and anecdotes, her favourite being " Shane." Of all of the many novels she has studied with her fifth years for G.C.E. the one she enjoyed most was Maya Angelou's "I Know Why The Caged Bird Sings." The Shakespearian works she likes best are "Julius Caesar" and "Macbeth." Her favourite part of her classes is doing poetry analysis, and of course, the first year portfolios.

The gifts received from students over the years that she treasures the most, do not take material form, but are the little heartfelt thank-yous given at the end of a difficult year, or sometimes years later when she sees them on the streets of Hamilton.

After leaving Warwick Academy Mrs. Hanlon plans on moving with her husband (and twelve year old twin cats) to The Isle of Wight, which is an island

off the southern coast of England. Her great hobby is walking, and she and her husband will spend many happy hours strolling through the countryside.

In parting she says, "What I will miss most are the students. They are what have really made it worthwhile." Her advice to students is to always, "Be true to yourself," and to remember that, "We never stop learning, and that we will get our real education out in the world." So we bid farewell to Mrs. Hanlon, and thank her for the twenty-four years she has spent teaching at Warwick Academy. Through her teaching she has affected the lives of many students which has in turn impacted on the school and the larger Bermudian community.

Long after she leaves a reminder of her will remain, in the form of a colossal pine tree at the front of the school (in the area between the prefects parking lot and the basketball court) which a class of students gave to her as a potted plant in the early seventies. And as the tree has grown and flourished, so has our school, during the twenty-four years Mrs. Hanlon taught here.

December 1995

Dear Parents,

On behalf of the Board of Governors and the staff of Warwick Academy I write to wish you and your children a very merry Christmas and a happy New Year and to thank you all most sincerely for your strong support of the school this year.

1995 has proved to be a momentous year in the very long history of Warwick Academy. It has changed from being a selective 11-16 public school to an independent 5-16 school in the private sector of education.

The privatisation of the school has been no easy task but now the Board, the staff, the Warwick Academy Association, the parents, the students and everybody in the school constituency must shoulder new and expanded responsibilities and commitments in the next few years if we are to make Warwick Academy into a first-rate independent school.

The new Warwick Academy begins from a position of considerable strength. The Board holds all the land and buildings in trust for the school in perpetuity. Currently it has 513 children on roll - 200 in the Primary and 313 in the Secondary. The demand for places in the school next year is strong. Because of the pressure of demand for admission the Board is reviewing again its intake policy for September 1996. It will announce its decision very early in the New Year.

The Board's pressing task at the moment is to refurbish the buildings and grounds and to plan the fullest possible use of the existing classroom accommodation. It wishes to maintain Warwick Academy as a three-form entry secondary school and to develop the primary sector as the present physical accommodation permits. New classrooms cannot appear overnight - they have to be planned, built and paid for.

As you all know the Board has spent the last three years raising money for endowments to support student bursaries. This Capital Campaign is over. A new one will have to begin soon to pay for new buildings, a better system of Information Technology, and other improved facilities and equipment.

Meanwhile, the Board is responsible now for teachers' contracts and salaries, pensions and health plans, for staff professional development, and for the conditions of employment in the workplace.

The Board's policy on Health Education and Drug Abuse has been formulated and mailed to all of you. It is aware that the whole issue of drug-testing in schools is discussed in the new Bill entitled "The Education Act 1995" currently before Parliament. Once this Bill is enacted some minor changes in the school's policy might be necessary. If this proves to be the case the Chairman of the Board will advise you accordingly.

I have asked all the teachers to develop a new curriculum for the entire age range of children from age 5 to 16. This curriculum has to meet the educational needs of Bermudian children growing up in a multi-racial

community as well as the increasingly demanding educational requirements of higher education and the business community. This work ranges from new reading programmes in the Primary School to teaching for new public examinations in the senior part of the Secondary School. It will involve new schemes of assessment of children's work and new means of reporting to parents at the end of term. Information Technology will be introduced at every level of teaching and learning.

The President of the Warwick Academy Association has spoken this year about the expanded role of this parent-teacher organisation. The Warwick Academy Association has to try to raise more money for the school in the future. It has to represent a bigger and wider group of parents with more diverse problems, concerns and interests than previously. It needs to improve the dialogue between parents, staff and Board, to raise the level of information and communication for everybody, to achieve greater involvement by parents and teachers in school fund-raising and social activities, and so inspire a stronger sense of partnership and community within the Warwick Academy family.

Already there are good signs that this is happening. Parents and staff have worked hard together to improve the physical environment of the Primary School this term. The Christmas Fair was an excellent effort by all concerned and the revenue was double what it was last year. Committees are being formed now to plan and prepare for the Warwick Academy School Fair in April. The attendances at the General Meetings organised by the Warwick Academy Association this year have been much bigger than in previous years. Many new faces have appeared on the Warwick Academy Association Executive Committee for 1995-96.

The Clothing Mart, a twice annual activity which has been a feature of Warwick Academy life for over 30 years, does need some new people to help to keep it functioning. The Fair Committee does require more help. Together, these two activities raise nearly \$100,000 a year for Warwick Academy but with your additional help they can do even better.

The future of the school seems bright but the path into the future still needs to be charted clearly. A strategic plan of development for the next ten years remains to be completed. Once this is finished in draft form the Board will share it with the Warwick Academy family. Your feedback will be welcomed and encouraged.

Meanwhile, your continued support of the school will be appreciated by both the Board and the faculty. I urge you to do all that you can in the future to help the school - by raising money, by working and attending school fund-raisers, by coming to Warwick Academy Association meetings, by suggesting positive ideas, by promoting the good name of the school at every opportunity.

The privatisation of Warwick Academy is both an enormous challenge and an exciting opportunity for all of us. The change of status is bold and brave, it is profound and irrevocable. The school can only go forward now. But, with all of us working together, I am certain that Warwick Academy will remain a successful educational institution and continue to be the premier school in Bermuda.

Yours sincerely,

B. Beacroft

March, 1996

Dear Parents,

The Easter Term has proved to be a very busy and most successful time for Warwick Academy.

Five Warwick Academy students were interviewed for places at United World Colleges for the academic year 1996-97. They are Rhea Bean, Vanessa Guishard, Donald McLean, Kai Musson and Joshua Samuels. Both Kai and Joshua were offered places in the Hong Kong College. The school congratulates them for their considerable achievement.

Teresa Whitter and Jamal Smith (former student) have been chosen as International Rotary Exchange Students for 1996-97. Congratulations to them both as well.

The school has received a letter of congratulations from the Honourable House of Assembly to the Board, Parents and Staff for having implemented a progressive drugs prevention programme in the school.

The Random Acts of Kindness Day proved a great success for Warwick Academy. Some 200 students, 21 staff, several Board members and numerous parents turned out on a pleasant day to walk from Hog Bay Park to Dockyard, visit the senior citizens of Lefroy House and the Packwood Home, picnic at Lagoon Park and clean up the area, and paint 100 yards of perimeter wall and restore 18 ships' crests in the old Navy Dockyard area. There were some 50 or 60 sponsors from the community at large, who donated \$6,000 to the event. The final figure to be donated to the Capital Campaign for bursaries should exceed \$10,000. A great thank you to Steven Thompson and Sharon Nanmi for all of their creative work and organisation which made this such a memorable event.

The Minister of Community and Cultural Affairs, the Honourable Dr. Yvette Swan, came to the School Assembly on Friday, 21st February, to congratulate the school for its Random Act of Kindness Day. She presented a commemorative certificate to the school in recognition of its actions. This memorable occasion was enhanced by a splendid performance by the Concert Band which played a special piece of music in honour of Martin Luther King and Black History Month. Miss Jennifer Smith, the Shadow Minister of Education, and Mr. Henry Douglas, Director of Community and Cultural Affairs, were also present at this Assembly.

The members of the Senate wrote to the school to express their appreciation of the school's Random Act of Kindness.

The school's Concert Band musicians attended an afternoon's workshop with Winston Marsalis and they received congratulations from many people for their music at the funeral of Mrs. Ada Joell on Sunday, 23rd February.

Shawnee Basden, President of the Warwick Academy, Leo Cluh, gave a short address on behalf of school at the funeral of Mr. Joe Ferreira, Paget Lion and alumnus of Warwick Academy, held at the Anglican Cathedral on Sunday, 25th February.

Warwick Academy took first prize again this year in the Bermuda Young Enterprise Company Finals held at City Hall, Hamilton, late February. The school also took the third prize. This is a wonderful achievement by our students and all the adults from inside and outside the school who helped them in their projects. Our winning company, Kaos Productions, won a handsome glass bowl and a silver plaque. Its individual members each received their own certificate of accomplishment. This year Kaos Productions is making and selling candles in coloured sand set inside a glass container.

The school had 3 enterprises in the Young Enterprise Competition this year and our Splash Colours Company, which took the third prize, is making and selling gift wrap paper.

Congratulations must be extended to all the students and members of staff who were involved in the production of 'The Importance of Being Earnest'. In particular, the school recognises the work and talents of the 9 actors/actresses who acted the play - Jason Simons, Donald McLean, Suniya Lambie, Candida Franco, Melissa Caldwell, Joshua Samuels, Heidi Roque, Adam Birch and Matthew Churm. Warwick Academy is proud of their achievement.

Congratulations too, to Joshua Samuels and Vanessa Guishard (Class B) and Keira Marone (Class C) for their commendations in the 1994/95 Royal Commonwealth Society Essay Competition.

Chanika Darrell, Donald McLean, Michael Taylor, Heidi Roque and Teresa Whitter all received awards for their artwork which has been displayed this term in the Bermuda Society of Arts gallery in City Hall, Hamilton.

The school swept the Board in the Secondary School division of the Butterfield and Vallis 5K Road Race on the 4th February. We won the Boys' and the Girls' titles in this event - at both the Secondary and the Primary levels. There was a field of over 300 runners. The following week, in the Bermuda Institute of Insurance Round the Town Road Relay Race, our runners continued their domination of the local running scene by winning the over 15 Boys', the under 13 Boys' and the under 13 Girls' events and coming third in the under 15 Boys' race.

Azeem Pitcher won the Under 16 Boys' event and Jennifer Young won the Under 13 Girls' event in the Telford Electric Mile at the National Stadium early this month. Very well done to these two students.

At the same time the Warwick Academy Equestrian Club was organising a very successful Inter-school Horse Show at Vesey Street to raise money for the Warwick Academy Capital Campaign and the Building Fund at the National Equestrian Centre. Well done, everybody, and the school hopes that this will be the start of an annual event in Bermuda.

Meanwhile, the Boys' Basketball Junior side won all of its 8 league games to win the BSSF Championships in grand style. Very well done to the team.

This year the school has a group of Army Cadets - 15 students attended the Bermuda Regiment's Cadet Camp last month, surviving the rain and a 5 mile route march. Mr. Senior reported that the officers were impressed by the determination of the Warwick Academy students who carried out their tasks efficiently and without complaint.

In recent years the school has been contracting as it reduced in size from a 4-form to a 3-form entry secondary school to prepare for the addition of a primary school. I am pleased to report that all the signs are now that this process is over and the school is ready to grow in numbers again.

I am confident that the school will fill all of the places it is offering at P1, P6, P7 and S1 for September this year. When the school opens in the Autumn Term it will have about 600 students.

The Board of Governors, the faculty and myself continue to be very appreciative of your continuing support. As I said in my Christmas letter to you the school has undergone a profound and irrevocable change in these last few months. The move to privatisation has and will affect personnel, policies, programmes and procedures and for a while some changes will be necessary as the school lays the foundations for success as an independent institution.

The Summer Term is a busy term for examinations in the secondary school. Parents, please make sure that your children have full attendance during the term.

Students may wear summer uniform in its entirety when they return to school in April. All students MUST be in complete summer uniform from Monday, 29 April.

Summer Term Achievements of Warwick Academy Students, 1996

Coming at the very end of last term, and too late for inclusion in my Easter letter, came the news that the Warwick Academy team placed third in this year's Bermuda School Quiz Contest held at the Princess Hotel in Hamilton. Congratulations to Chiara Nannini, LaRondie Harrell, Davsha Haxton, Hayley Simons and Jay Butler for doing so well learning the answers to over 2,000 questions set for the competition.

Parents will be pleased to learn that the school's Random Act of Kindness Day has blossomed into an island-wide drive to restore and maintain the 210 ship crests at the Royal Naval Dockyard. An Adopt a Naval Crest programme is being launched involving the business community. The Duke of Edinburgh has been approached to be the Patron of this new initiative.

Hearts congratulations to the 35-strong school choir who took first place in the Ministry of Youth and Sport's first annual Secondary School Tourism Awareness Contest held at the Maritime Museum at the end of May. With a back-up string section the choir sang a jazzed up version of "O What a Beautiful Morning" arranged by Mr. Hayward. The choir won for the school a computer and a year's free use of the Internet for themselves they won a free lunch on one of the Cruise ships which visit Bermuda.

The Spring Concert was another very successful occasion for the school. The Junior Band (24 players), the Junior Strings (28), the Concert Band (34), the String Chamber Orchestra (33) and the Full Symphony Orchestra (43) all demonstrated again the excellent standards we have come to expect from these fine young musicians.

The Concert Band also distinguished itself by an accomplished performance at the first Hamilton Harbour Nights celebration of 1996.

The Headmaster recently presented 40 Royal School of Music certificates in Assembly to students throughout the secondary school and 18 certificates to Year 7 students who passed Units 1 and 2b of the Cambridge Latin Course Graded test.

The School is very pleased to congratulate the 16 students who have passed the University of Oxford Young Enterprise National Examination this term. This is a prestigious examination in England and Europe and I commend the successful students - Khalid Davis, Chantal Fray, Tiffany Fox, Tajiri Butterfield, Sheena Bassett, Shawnee Basden, LaRondie Harrell, Chiara Nannini, Alana Ming, Chimie Dallas-Lambert, Jahnika Simons, Katrina Williams, Clarissa Dill, Kaywona Landy, Melissa Caldwell and Erica Cann.

The Duke of Edinburgh Award Scheme continues to flourish at Warwick Academy and very recently another group of our students went to Government House to receive their silver and bronze medals. Shina Bean, Adam Birch, Melissa Flood, Chelana Foley, Arsha James, Ziafra Wade, Tajiri Butterfield, Joselyn Campbell, LaRondie Harrell, Kim Burgess, Shannah Butterfield, Chanika Darrell, Nicole Joell, Joshua Samuels and Heidi Daniels-Roque.

Finally, the school congratulates the following people for their distinctive achievements this term:

Matthew Figuerido, 5M, for winning the Frederick Smith Scholarship at Albert College in Canada, beginning September 1996.

Jeremiah Smith, 1S, who was the Champion Box in the under 13 age group of the 1996 BSSF Interschool Track and Field Competition in April, and also was the champion in the 800 metre and 1500 metre events at the National Championships held in June.

Jamie McDowell, 5M, for his painting entered in the Agricultural Exhibition and reproduced in the official programme.

I do hope that in the future the Warwick Academy Association will keep you all informed through its newsletter CONNECTIONS of the continuing work and achievements of the school.

Yours sincerely,

All of the above students gained their Bronze awards except Heidi Roque, who gained her Silver award, and Chanika Darrell, who gained both her Bronze and Silver awards. All of the students undertook a community service, including animal care, Sunday school teaching, the Leo Club, Brownie Pack helper, organisation of the End-to-End charity walk, and candy striping. They also undertook a physical recreation, these include basketball, badminton, soccer, modern dance, hockey, and jiu-jitsu. All of the students also had to undertake a skill, these included learning how to play a musical instrument, chess, and Young Enterprise companies. The students also had to undertake an expedition, which first required training in camp craft, safety, first aid, cooking, and navigation, plus a practice walk before the actual 15 mile walk for the Bronze awardees and a 30 mile walk for the Silver awardees. Mr. Dobson, who was in charge of organizing the expeditions, added, "I give a lot of credit to the 3rd year bronze students, who completed their expedition in constant rain, including the record breaking 7.7 inches in one day. Well done!"

Three Friends

There are three friends
who share their friendship
equally, even through hard
times when they discuss it
peacefully. They strive for
sanity showing no vanity while

Fight fire with fire.

The night air was full of death as he walked down the long hall. His boots made a soft click on the tiled floor, but they were all in bed and did not hear. He knew what he had come to do. He had heard that she was ill and he had come to pay her back for what she had done to him.

In his dreams, at night, he could still feel the hot flames on his limbs. Then he would see her turn and leave him there to die. But now it was her turn.

He reached her room.....all was still. Her big blue eyes were shut tight and her long black hair spilled on the sheets. He looked at her for the last time as he threw the lit match on her bed. He heard her scream out in pain as she watched him leave her there. There was a smile on his face as he left the room.

Tennis Club Report 1995/96

Tennis Club met on Tuesdays (beginners) and Thursdays (advanced) in term one and on Thursdays in term three. Altogether, 48 pupils attended the tennis club but only 11 were awarded an extra curricular credit. These people were Billy McLure, Kai Musson, Chris Olivera, Andrew Baylay, Daysha Haxton, David Stewart, Alicia Simmons, Jonathan Darrell, Anjalie Nawaratne, Adrian Lodge, and Ravi Pachai.

For the advanced group, a ladder was kept throughout the year, based on attendance and games won. This was won by Billy McLure, with Kai Musson second, and Chris Olivera third.

Colors

One day,
He came to say,
Would you like to see my paintbox?

Pink is your lips,
In the cold, cold winter,
Or bubble gum in your mouth,
The color of a sweet smelling rose.

Red is a apple,
Or blood from a operation,
But what about your face,
When daddy turns you upside
down!

Blue is the sea,
Shimmering at night,
The color of the sky,
In the daytime,
But not at night.

Green is beautiful trees,
On the grass in my back yard,
Or vegetables on my dinner plate,
I love walking through the garden.

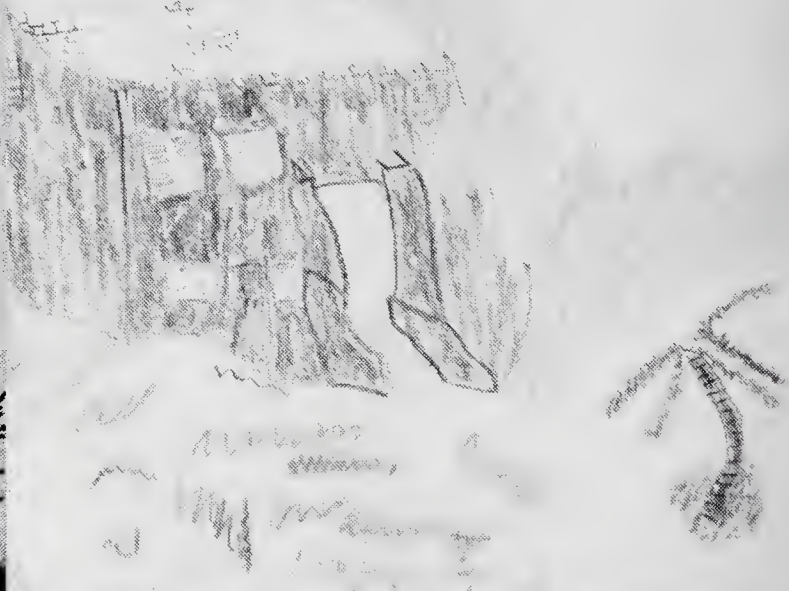

Yellow are daisies in spring,
Butter in the fridge,
Bananas in my fruit bowl,
The sun that rises in the east.

Purple is a plum,
Or grapes,
I love them so,
Bermudians building,
How beautiful you know.

Orange is fire,
Or the color of my friends hair,
I love to eat juicy oranges,
Or see a fox run as fast as a hare.

White is a spooky ghost,
Who haunts you life at night,
The snow fall in the winter,
What a beautiful sight.
